7 Dispensations

- (1) The Authority may, on such terms as it sees fit and subject to conditions, grant—
- (a) a dispensation from a requirement of Chapter 2 if the Authority is satisfied that a regulatory requirement of another State, or of a Territory, in which the gambling provider advertises, or of the Commonwealth, presents a suitable alternative;
 - (b) a dispensation from—
 - (i) the radio blackout requirement of clause 23, in respect of advertising on a radio broadcasting service; and
 - (ii) the television blackout requirement of clause 24, in respect of advertising on a television broadcasting service—

Paragraph (a)
amended by GR
Notice No. 1 of
2016, cl. 3(2)(a)

Gambling Codes of Practice Notice 2013
Chapter 1—General

GR Notice No. 8 of 2013**Clause 8**

(c) a dispensation from a requirement of Chapter 3 if the Authority is satisfied that a regulatory requirement of another State, or of a Territory, in which the gambling provider operates, or of the Commonwealth, presents a suitable responsible gambling alternative;

Paragraph (c) amended by GR Notice No. 6 of 2015, cl. 9(1)(a); by GR Notice No. 1 of 2016, cl. 3(2)(a)

(ca) a dispensation from a requirement of Subdivision A of Division 2 of Part 2 of Chapter 3 if the Authority is satisfied that a gambling provider or class of gambling providers cannot practicably comply with the requirement or that, despite the requirement being variable by management plan, the filing of a management plan in the circumstances would be onerous;

Paragraph (ca) inserted by GR Notice No. 1 of 2014, cl. 4

(cb) a dispensation from the operation of clause 54 where the Authority is satisfied that the dispensation does not present a material risk of an increase in problem gambling; and

Paragraph (cb) inserted by GR Notice No. 6 of 2015, cl. 4

(d) a time limited or transitional dispensation from the application of a new requirement or obligation.

Example: A “new” requirement would be, on 1 March 2014, the requirement for the mandatory warning message to be spoken at the same time as it appears on television, because that is not a requirement of any of the codes this notice replaces.

(2) A dispensation may be granted under sub-clause (1) on the application of a gambling provider or an agent of a gambling provider, or on the initiative of the Authority.

(3) A dispensation under sub-clause (1) may be granted for the benefit of the applicant, for the benefit of a class of gambling providers or for the benefit of gambling providers generally.

8 Role of peak bodies

(1) A gambling provider may satisfy a code of practice obligation through the actions of a peak body.

(2) This clause—

(a) applies to obligations which—

(i) are amenable to satisfaction through the actions of a peak body; and

Gambling Codes of Practice Notice 2013
Chapter 1—General

Clause 9**GR Notice No. 8 of 2013**

- (ii) are consistent with the actual relationship between the gambling provider and the peak body;

*Example
amended by GR
Notice No. 4 of
2016, cl. 7*

Examples: Clause 51(2)(c) requires a gambling provider to maintain management level contact with an appropriate gambling rehabilitation agency. This provision would allow the necessary relationship to be established for a gaming machine licensee by Club Safe or Gaming Care. In the case of an SA TAB agent, the relationship could be established by SA TAB on behalf of its agents. In the case of an SA Lotteries agent, the relationship could be established by either Tatts (as master agent) or the Lotteries Commission itself.
